Water Connection For SIIDCUL Industrial Estate

With reference to the office order ref. no.5496/DGM(Tech)/SIIDCUL/2007 Dated 07-Feb-2007 Water Connection for the industrial estates / areas under SIIDCUL is being provided as an only online service which has the following features:

- Entrepreneurs who have been allotted land in any of the SIIDCUL industrial estates / areas can make an online application through siidculsmartcity.com
- Deposit the relevant fees online.
- The entire process of processing and approval is being done online and not through a manual or hard copy process.
- The user can track the status of the application online.
- Once approved, the user can obtain the approval or registration certificate online through the portal.

There are no physical touch points in the entire process from application to approval. Additionally, the service of Water Connection is also being provided as a service through Single Window System in a manner that

- The application can be made in the single window system.
- The application status can be enquired through single window system.
- The application approval certificate is provided through single window system.

The whole system has been adopted to provide ease to the entrepreneurs in getting the approval for Water Connection online and without coming to office even once.

(Dr. R. Rajesh Kumar)
