Office Order

The following water tariff plan for various industrial estates of SIDCUL is hereby implemented as interim water tariff plan with immediate effect till further orders.

1. A request for water supply connection in the prescribed format as annex -I along with a connection fee of Rs. 2000/- only shall be submitted to Regional Engineer SIDCUL (For IIE Haridwar & Pantnagar) or DGM(Technical) for IT Park & Pharma City through a D.D. payable to SIDCUL Haridwar/Rudrapur/Dehradun for IIE Haridwar/IIE Pantnagar/Pharma City & IT Park respectively. After receiving the application, concerned officer shall forward the application to contractor/PMC/PWD (For I phase of PTN) for providing connection to applicant.
2. After receiving the application, concerned engineer of PMC/ contractor will fix up a date in consultation with related industry to commence the activity for providing connection to industry from SIDCUL line. Concerned industry will arrange all the required materials like water meter, flange, pipes, specials, T&P etc besides the experienced & certified plumber of Jal Sansthan /Jal Nigam/Nagar Palika /SIDCUL at its own cost on the day intimated to them in writing by concerned engineer. The work for providing connection shall be performed in presence of related contractor's representative who shall be present at site on the pre-intimated date.
3. The tariff shall be based on metered supply system. The ISI certified water meters shall be used for the purpose. Copy of ISI certification / manufacture's certificate shall be necessarily submitted along with meter.
4. The charges for industrial, commercial & residential shall be Rs. 10/KL, Rs. 20/KL & Rs. 4/KL respectively shall be applicable. Water supplied during construction works shall be chargeable under commercial category. In case of non working of meter, flat rate as Rs 0.30 per sq meter per month shall be charged.
5. Collection & payment of bills shall be done on bi monthly basis.
6. SIDCUL reserves its right to add/delete/amend any condition in water tariff plan as deemed necessary for smooth operation of water supply networks.

These issues with the approval of competent authority.
