

Authorization under Solid Waste Management Rules, 2016

Start

Visit the Portal - <http://ueppcb.uk.gov.in/> and click on Ganga-XGN

If you are a New user, Click on 'New Industry Registration', fill in the information and login using the credentials created. You will be prompted to change password and login again

Click on 'Apply Authorization' and Select 'Municipal Solid Waste'

Fill in the Required Information & Upload Documents

Review the application, select 'Completed' button at the bottom and click on 'Save' to submit application

Pay through Net Banking or Debit/Credit Card or RTGS

Application is received by the Receiving Clerk (RC) at the corresponding Regional office and sent to the concerned officer for examination

The application & other relevant documents are examined by the Concerned Officer and sent to the Regional Officer (RO)

RO checks if application is complete in all respects

No

The Unit has to submit the requested documents to the officer

Yes

After getting instructions for inspection, the concerned officer inspects the unit and submits the Inspection Report to RO

After inspection, the RO sends the application along with the Inspection Report online to UEPPCB office

Application and Inspection Report are received online by RC at Head office and sent to the concerned officer for examination

After examination, the Officer sends it online to the respective Section Head

If application is incomplete, he will raise clarification to the unit

Yes

If the application is found in order, the Section Head instructs the officer below him to prepare draft of Municipal Solid Waste grant; The same is sent back to Section Head

Section head sends it to the Member Secretary

Then Competent authority disposes/approves the application. It is reflected in the User dashboard and can be downloaded by user

The applicant receives the signed copy of certificate through post

Stop

No
